Verification of

DLI target 9.5: 85% of GPSs have received SLIP funds and utilized them as per the updated SLIP guidelines

DLI 9 (Institutional strengthening) is related to component three stated as 'Management, Governance and Financing' of PEDP4. The objective of sub-component 3.2: Institutional strengthening is to strengthen the DPE and field education offices to manage and administer the primary education system effectively and efficiently through decentralization. To address and evaluate the accomplishment of the above objective, Disbursement Linked Indicator (DLI) target of 9.5 (85% of GPSs have received SLIP funds and utilized them as per the updated SLIP guidelines) is fixed up as one of the indicators.

1. DLI: Definition and Protocol

DLI 9: Institutional strengthening

DLI Target 9.5:

85% of GPSs have received SLIP funds and utilized them as per the updated SLIP guidelines

Definition:

The SLIP grants are managed by schools and UPEP grants are grants managed by local education offices.

Achievement description:

This target is considered achieved when the SLIP implementation progress report provides detailed information (i) on total funds disbursed to schools, and (ii) confirming that 85% of GPS have utilized the funds as per the SLIP plan.

Source of verification:

- (i) SLIP implementation progress report from DPE based on administrative data.

2. According to Verification Action Plan: DLI target 9.5

Year	DLI targets	Verification Protocol & Approach	Responsible (IVA Unit/Experts /Survey firm)	Time Schedule (Tentative) (Depends on DLI's declaration)		
				FY	Review Period	Report Submit
Year-4	9.5: 85% of GPSs have received SLIP funds and utilized them as per the updated SLIP guidelines	As Per ToR conducting Sample Survey with desk review.	a) IVA unit b) Deployed consulting firm for survey.	2021-22	Oct-Dec, 2022	February, 2023

3. ToR of the Current Assignment:

- To collect, review, analyze and present with graphical/tabular form of data in regard to declared DLI target 9.5 (85% of GPSs have received SLIP funds and utilized them as per the updated SLIP guidelines) achievements.
- To review and evaluate whether this DLI target is achieved according to the verification protocol (definitions, description of achievement & Sources) and relevant tools and techniques as defined for this DLI target.
- To review and verify that schools are using updated SLIP guidelines, and as part of decentralized school financing; verify the school maintenance fund is used as per infrastructure plan and planning guidelines;
- To prepare the Verification Report (RVR: Result Verification Report) according to the prescribed or standard verification format emphasizing all the essential elements and submit it as evidence for DLI achievement;
- Consulting firm will visit concerned upazilas, and check the updated guidelines and application. Sample size will be statistically significant covering all the related upazilas.
- To verify and evaluate the implementation of activities and vice versa plan achievement including change etc.;
- To review and confirm whether the SLIP implementation progress report provides detailed information (i) on total funds disbursed to schools, and (ii) confirming that 85% of GPS has utilized the funds as per the SLIP plan according to updated guidelines under PEDP4;
- To analyze the targets and actual achievement of DLI target 9.5 (achieved, not achieved, partially achieved, the extent to which achieved);
- To review all the submitted documents/evidence and analyze them to compare with the field data.
- To examine whether DLI targets have been delayed to meet because of untimely financing, managerial inefficiency and also identify/analyze the reason(s) and responsible factors for such delay;

- k) To analyze the strengths and weaknesses and identify potential threats and challenges (SWOT analysis) toward the achievement of the DLI target 9.5;
- l) To analyze whether UPEPSLIP has any significant contribution to improving the quality of the learning experience for children;
- m) Overall review based on findings of the Verification Study;
- n) To make specific recommendations based on the findings of the verification study.
- o) To accomplish other relevant tasks assigned by the Authority within the contract period.

4. Professionals required for the verification works.

No	Types of Professionals	Educational Qualification	Experience required
1.	Consulting Firm	--	<ul style="list-style-type: none"> At least 3 (Three) years overall working experience in a relevant field. At least 3 (Three) studies in a similar field/ nature.
