16	Brief Description of Assignment	The firm will conduct in-depth monitoring depending on approved TOR. The objective of this assignment to conduct in-depth monitoring of the project “Development of Woman Sports at BKSP” in all aspects in collaboration with project personnel and all project stakeholders. To review & present project related information (Background, objectives, status of project approval/revision, mode of financing & other relevant issues etc.). To collect, review, analyze and present with graphical / tabular form of data in regards to overall progress & component wise implementation progress (physical and financial) of the project. To analyze the strengths, weaknesses, opportunities and threats (SWOT) of the project and providing appropriate recommendations to overcome the weaknesses and challenges. The recommendations made by the consulting firm would be a guideline to direct the project on track and help to implement similar project in future.
